

Turtle Scooters Rental Instructions

Set Up Instructions:

1. Place scooters on ground. (Wooden, vinyl, concrete or any smooth flooring works best. Asphalt is difficult to maneuver on, but is acceptable.
2. Make sure there is a designated path/track to follow, and that riders are aware of it.

Operating Instructions:

1. Collect 1-2 tickets from each rider before they get on the scooter.
2. Start riders all at the same time.
3. Ride should last 2 to 3 minutes.

Returning the Turtle Scooter

All parts listed below must be returned in good working condition. Any parts missing or broken will be charged at the price listed.
